Hotel/bar

We look for a small point of purple for each shots. Freddy should use a purple glass for her's cocktail. For André we look for a purple that should appear in the background.

Tattoo/salon

We look for a small area of green/  
cyan. All the other part of the image  
should be white/black/ or skin tone.

Style     Basement/party

For the sofa scene in the second part the main light should be neutral/cold, then if we miss the red we should use a red sofa or table.

Style Toksochon - Restaurant

We want to avoid in the derocation any color that are strictly necessary. We keep for meaning purpose the blue of Maxime and the purple of the father isolated.
